2 ABSTRACT OF THE DISCLOSURE  
3

4 Disclosed is a system for distributing drawings that illustrate  
5 animation. This system includes a global computer communication  
6 network, and a web site connected to this network that is adapted to  
7 display on a monitor screen a unique ordering display. The display  
8 enables a buyer (a) to select at least one subject from a plurality of  
9 different subjects for the drawings, (b) to select a time interval at  
10 which individual drawings are delivered to the buyer, (c) to select a  
11 payment method, and (d) to provide a mailing address to which the  
12 drawings are sent.
